★Mission★

To enrich the lives of current and former foster youth and support the Court Appointed Special Advocate (CASA) program.

★Values★

Passion. Commitment. Integrity.

We have the passion to persevere and succeed in helping every child thrive in safe, permanent, and nurturing home; the commitment to serve the neglected and abused children in Yavapai County with respect for everyone involved in their cases. Lastly, we have the integrity to operate with the highest standards of quality, effectiveness, confidentiality, and accountability to the children we serve.

★Bridging the Gap★

Among the nearly 300 foster youth in Yavapai County, many of these children enter the system with little more than the clothes on their backs or what they are able to in a plastic bag.

For over 20 years, the Yavapai Casa for Kids Foundation has strived to build a pathway towards closing the gap in the underfunded needs of foster youth. Our programs assist in providing for the unmet needs of these children.

★ Your Involvement is Key ★

Foster youth, like all children, have hopes and dreams for the future. They deserve a world that is safe and nurturing; one where they are supported and feel empowered to pursue their dreams.

Join us in supporting and transforming the lives of Yavapai County's foster youth.

We humbly ask you to consider committing to one or more of the sponsorship opportunities presented in this packet. With early commitment, we guarantee recognition on our website; promotional materials; and media mentions according to your chosen level. All details are enclosed within this packet. Commitments must be received by **May 1, 2024**, to ensure recognition in our program.

On behalf of the Yavapai CASA for Kids Foundation and foster youth, thank you for taking the time to review and consider our request.
